Pick From 10 More Amazing Championship Links

This compact northwestern coastline of England has these 3 Open courses, and also 10 more world class links, listed on the right. They have hosted Ryder Cups, Open qualifiers and DP World Tour events. Wallasey is the home of Stableford.

The proximity of all courses means that no matter where you play, you'll only be spending under an hour traveling to even the furthest club. Less time travelling, more time enjoying yourselves - maybe a couple of pints after your best round, toasting your birdies and chatting with the locals.

Stay in Liverpool or Southport?

Your golf group only needs to stay in one location as all the courses are nearby. You have a choice of 2 great cities, depending on your preference.

*If your group wants an action-packed base, **Liverpool** is outstanding. One of the UK's most vibrant cities, it offers world-class dining, lively pubs, rooftop bars, and a buzzing waterfront — all just 30 minutes from England's Golf Coast's links. And of course, The Beatles are from here.*

***Southport** is the spiritual home of England's Golf Coast and offers the classic golf trip experience. The elegant Victorian seaside town features excellent independent restaurants, welcoming pubs, boutique hotels, and the famous Lord Street boulevard. Evenings are relaxed and sociable, making it easy for groups to unwind together after a day on the links.*

From start to finish one of the best Tour companies I have ever dealt with. Very responsive, nothing was too much trouble, great tee time options on some of the best courses in the world. Plenty of options for good quality hotels and restaurants in the area all very close to the golf courses. Victoria did a fantastic job and I would highly recommend using them for any golf in Southport, you won't be disappointed and we will definitely be going back!

★★★★★

I organized a group of 8 Americans from Georgia to spend a week on England's Golf Coast. Probably the best golfing trip of our lives, for many reasons. The golf courses were really strong, and presented a wide variety of links challenges, from the beauty of Birkdale and Hillside, to the raw links of West Lancs. Vicky was awesome as our trip facilitator, and it was also tremendous to have a pint with Peter and Mel on the balcony overlooking Birkdale's 18th green.
